**1. Call to Order**

1.1 Chairperson Jack Friedlander called the meeting to order at 3:00 PM.

1.2 A motion to approve the minutes of the CPC/DTC meeting of November 2 was tabled because members had not had an opportunity to review them.

**2. Announcements**

2.1 There were no announcements.

**3. Information Items**

A. New categorically funded positions

1. DSPP Counselor - New Position
2. DSPP - Learning Disabilities Specialist - New Position
3. DSPP - Ruth Johnson - Job Developer - increase contract
4. DSPP - Laurie Vasquez - 20 days extended contract, Assistant Technologies Specialist
5. DSPP - Mary Lawson - 20 days extended contract, LD Specialist
6. DSPP - Steve Conti - 20 days extended contract, Counselor

Dr. Friedlander presented the question of whether the categorically-funded counselor's position would count toward the district's mandated full-time faculty positions anticipated for Fall 2000. To date, the categorically-funded positions have met this requirement. Dr. MacDougall's position is that he is not going to count this position against our base of 204 but wants to reserve the right to do so in the future if warranted by financial circumstances. Proceeding with this proposal will not take away a faculty position for next fall.

Kathy O'Connor recommended that these DSPS positions be forwarded to the Academic Senate as information items.
